Overview of the Husky One Card
It is the goal of the University to enable students, faculty and staff to access many services on campus using their Husky One Card (the UConn ID card). The Husky One Card is the official UConn ID and is currently used to access many of the facilities on and around campus, including the Recreation Facility. The Husky One Card also serves as the University Library Card and should be used for printing on campus.

In addition, all Husky One Cards have been set up with a Husky Bucks account. Husky Bucks is a debit-like account that is accessed using the Husky One Card. After students, faculty and staff deposit money into their Husky Bucks account, they can present their Husky One Card as a form of payment to purchase goods and services on and off campus.
